All relations between the Unitholder, the Fund Manager, the Fund and the STAK are governed by this Subscription Form, the Terms and Conditions and the Prospectus as referred to above.

2. SUBSCRIPTION

2.1 The Unitholder hereby agrees to participate in the Fund through STAK subject to the acceptance of this Subscription Form by the Fund Manager. The subscription for the respective Units (including the number, the Class and the Series of the Units) will be confirmed in a letter by the Administrator to the Unitholder on behalf of the Fund Manager, the Fund and STAK. The Unitholder acknowledges that the Fund Manager reserves the right to reject in its absolute discretion this and any other subscription for Units in whole or in part. The Fund Manager will determine in its sole discretion which subscriptions shall be accepted.

2.2 Up to and including the Closing Date, Units were offered at a price of EUR 100 per Unit. Up until the closing date there were no USD or CHF Classes outstanding yet. After the Closing Date, the Units are offered at a price based on Net Asset Value per Unit as at the Valuation Date immediately preceding the applicable Subscription Date.

2.3 The Total Subscription Price will be increased by the Fund Manager with a surcharge, with a maximum of 0.05% of the Total Subscription Price in normal market circumstances, in order to meet any costs and expenses of the Fund incurred for the acquisition of Fund Assets in order to issue the Units. The surcharge is for the benefit of the Fund. The surcharge may be substantially higher than 0.05% during times of severe market stress. The Fund Manager shall determine the Total Subscription Amount.

2.4 The Total Subscription Amount shall be received by 17:00 hours CET on the Business Day falling at least three (3) Business Days before the relevant Subscription Date as per which the applicant wishes to receive Units. Subject to the terms and conditions of this Subscription Form, in consideration for the Total Subscription Amount, the Unitholder will be issued a number of Units equal to the Total Subscription Amount referred to under 2.3 above (minus the surcharge) divided by EUR 100 (one hundred Euros) for the EUR Classes. Up until the closing date there were no USD or CHF Classes outstanding yet.

Upon acceptance of the subscription, the Fund Manager shall enter the Unitholder’s name, address and number of Units in the Register in accordance with Article 11 of the Terms and Conditions. Such registration shall be conclusive evidence of the entitlement of the Unitholder.

6. **INDEMNITY**

The Unitholder indemnifies STAK and the Fund Manager and persons connected to them, including the board of management, employees and advisers, without requesting or receiving any compensation therefore, against any claim, loss, damage, liability or costs, including the costs of legal advisers, to the extent that these are incurred by any of STAK and the Fund Manager and the persons mentioned above as a result of an incorrect representation of the

7. RECOURSE

In case the Unitholder does not fulfill its obligations under the Subscription Form STAK and the Fund Manager reserve all rights and legal remedies available to them under this Subscription Form under Dutch law and otherwise.

If STAK or the Fund Manager does not exercise a right or a legal remedy available to it under the Subscription Form, this should not be interpreted as a waiver of the right to exercise such right or any other right or legal remedy in the future. The exercise of any right or legal remedy by STAK or the Fund Manager available to them under this Subscription Form does not prejudice the exercise by STAK or the Fund Manager of the other rights available to them under this Subscription Form under Dutch law or otherwise.

- 13.2 The Unitholder hereby gives its consent to STAK and other management, administration and service providers of the Fund to disclose this transaction to those institutions which are legally entitled to receive the information contained herein.

14. **DECLARATION CUSTODY BANK (if applicable)**

A Unitholder which is a Custody bank (nominee account) who, on behalf of its clients, make a subscription into the Fund declares that it shall identify, verify and record the identity of such clients, and that, to the best of its knowledge, the funds invested do not and will not directly or indirectly derive from unlawful or criminal activity.

15. **QUALIFICATION UNITHOLDER AS (NON) PROFESSIONAL**

15.1. The Unitholder shall be considered a professional investor (*professionele belegger*) if it qualifies as such within the meaning of section 1:1 FSA. The type of investors qualifying as professional investor (*professionele belegger*) within the meaning of section 1:1 FSA are reflected in Annex 1.

15.2. In case the Unitholder does not qualify as a professional investor (*professionele belegger*) within the meaning of section 1:1 FSA, it may request the Fund Manager to be treated as such in accordance with the FSA. The Fund Manager may approve or refuse such request at its sole discretion.

16. **THE U.S. FOREIGN ACCOUNT TAX COMPLIANCE ACT**

Under the U.S. Foreign Account Tax Compliance Act (“**FATCA**”), the United States will impose a withholding tax of 30 per cent on certain U.S. sourced gross amounts not effectively connected with a U.S. trade or business paid to certain “Foreign Financial Institutions”, including the Fund, unless some information reporting requirements are complied with.

The Fund will use reasonable efforts to satisfy any obligations imposed on it in order to avoid the imposition of this withholding tax (except with respect to the interest of “recalcitrant account holders” as described in §1.1471-5(g)(2) of the Foreign Account Tax Compliance Act). A fund’s ability to satisfy its obligations under an agreement with the U.S. Internal Revenue Service (“**IRS**”) will depend on each Unitholder of such fund providing the fund with any information, including information concerning the direct or indirect owners of such Unitholder, that the fund determines is necessary to satisfy such obligations. Any such information provided to a fund will be shared either with the local tax authority or the IRS, depending on the Model of the Intergovernmental Agreement. An investment fund that is classified as subject to FATCA requirements will be required to register with the IRS and obtain a Global Intermediary Identification Number (“**GIIN**”) and agree to have policies and procedures in place to identify certain direct and indirect U.S. account holders or equity holders. For these purposes the Fund would fall within the definition of a foreign financial institution (“**FFI**”) for the purpose of FATCA.

Each prospective Unitholder agrees by signing the Subscription Form to provide such information upon request from the Fund Manager or the Administrator. If a fund fails to satisfy such obligations or if a Unitholder of a fund fails to provide the necessary information to such fund, as applicable, payments of U.S. source income and payments of proceeds will generally be subject to a 30 per cent withholding tax.

The Fund may exercise its right to completely redeem a Unitholder that fails to provide the Fund or the Administrator with the requested information in order for the Fund to satisfy its FATCA obligations, and the Fund may take any other action deemed necessary in relation to a Unitholder's shares or redemption proceeds to ensure that such withholding is eventually borne by the relevant Unitholder whose failure to provide the necessary information gave rise to the withholding tax. Each prospective Unitholder in the Fund should consult their own tax advisor regarding the requirements under FATCA with respect to their own situation.

The Fund will endeavour to satisfy the requirements imposed on the Fund by FATCA to avoid the imposition of FATCA withholding tax. However, there can be no guarantee or assurance that the Fund will comply with all the requirements imposed by FATCA. In the event that the Fund is not able to comply with the requirements imposed by FATCA and the Fund does suffer US withholding tax on its investments as a result of non-compliance, the Net Asset Value may be affected and the Fund may suffer loss as a result.

The Common Reporting Standard

The Netherlands is one of multiple jurisdictions which have agreed to the automatic exchange of financial account information on the basis of the standard published by the Organisation for Economic Co-operation and Development (the "**Common Reporting Standard**" or the "**CRS**"). Financial institutions resident in jurisdictions which have agreed to the CRS, should report certain account holder information to their local tax authorities who will then exchange such information with countries where account holders are tax residents.

It can provide timely information on non-compliance where tax has been evaded, particularly where tax administrations have had no previous indications of non-compliance.

For the purposes of efficiency, the CRS was deliberately built on the framework of FATCA and replicates many of its principles, although there is no withholding tax regime or requirement for reporting financial institutions to register with Foreign Tax Authorities (as defined below). Furthermore, certain CRS client classification, due-diligence and reporting requirements differ from or are more expansive to those deriving from FATCA. Further inter-governmental agreements will therefore be entered into with other third countries by the Dutch government from time to time to enable reporting to such third countries' tax authorities ("**Foreign Tax Authorities**") as provided in the CRS.

By investing or continuing to invest in the Fund, Unitholders shall be deemed to acknowledge that:

- a) the Fund is considered to (i) be a reporting financial institution under the CRS and the Fund (or its agent) will be required to disclose to the competent tax authority of the Netherlands certain confidential information in relation to the Unitholder, including but not limited to the Unitholder's name, address, tax identification number (if any), social security number (if any) and certain information relating to the Unitholder's investment;
- b) the competent tax authority of the Netherlands will be required to automatically exchange information as outlined above with the Foreign Tax Authorities;

- c) the Fund (or its agent) will be required to disclose to the Foreign Tax Authorities certain confidential information when registering with such authorities and if such authorities contact the Fund (or its agent directly) with further enquiries;
- d) the Fund may require the Unitholder to provide additional information and/or documentation which the Fund will be required to disclose to the competent tax authority of the Netherlands;
- e) in the event a Unitholder does not provide the requested information and/or documentation, whether or not that actually leads to breach of the applicable laws and regulations by the Fund, a risk for the Fund or the Fund's Unitholders being subject to withholding tax or penalties under the relevant legislative or inter-governmental regimes, the Fund reserves the right to take any action and/or pursue all remedies at its disposal including, without limitation, compulsory redemption or withdrawal of the Unitholder concerned;
- f) no Unitholder affected by any such action or remedy shall have any claim against the Fund (or its agent including the Administrator) for any form of damages or liability as a result of actions taken or remedies pursued by or on behalf of the Fund in order to comply with the CRS, any further inter-governmental agreements or any of the laws and regulations related to the CRS; and
- g) all information to be reported under CRS will be treated as confidential and such information shall not be disclosed to any persons other than the competent tax authority of the Netherlands and the Foreign Tax Authorities or as otherwise required by law.

Unitholders should ensure that their tax affairs are compliant with the laws and regulations applicable in their jurisdiction(s) of residence and/or citizenship (as applicable).

17. DATA PROTECTION

- 17.1. The Fund Manager controls the processing of the personal data that is furnished by the Unitholder in connection with an investment in the Fund (the "**Personal Data**").
- 17.2. The processing of the Personal Data is necessary for: (i) the performance of the Fund Manager's obligations under or pursuant to this Subscription Form and the Terms and Conditions; and (ii) compliance by the AIFM with applicable rules and regulations such as the rules on the prevention of money laundering and financing of terrorism (the "**Purposes**"). The Personal Data collected shall not be processed for any purposes other than the Purposes.
- 17.3. The provision of the Personal Data by the Unitholder is necessary for a subscription to the Fund. Failure to provide such Personal Data shall result in the Fund Manager not accepting the requested subscription.
- 17.4. The Personal Data will be shared with the Administrator for the Purposes, and may be shared with other service providers of the Fund Manager within the scope of the Purposes only. The Fund Manager shall take appropriate measures to ensure that the Personal Data will be properly handled in accordance with applicable rules and regulations. When required, the Personal Data may also be shared with competent authorities.

- 17.5. The Personal Data will be stored for such period of time as required to enable the Fund Manager to comply with applicable rules and regulations.

The Unitholder has the right to request the Fund Manager to provide access to and rectification or erasure of Personal Data, or a restriction on the processing of the Personal Data and the right to withdraw any consent given to the processing of Personal Data. The Unitholder may send such request and other questions it may have to the Fund Manager at fundmanagement@priviumfund.com.

- 17.6. At the Fund Manager, Mark Baak will function as privacy officer.

- 17.7. The Unitholder has the right to file a complaint with the Dutch Data Protection Authority (*Autoriteit Persoonsgegevens*).

18. CHOICE OF LAW, COMPETENT COURT

This Term and Conditions shall be governed by the laws of the Netherlands, and shall be interpreted accordingly.

The Unitholder hereby irrevocably agrees that any action or proceeding relating in any way to this Term and Conditions may be brought to the competent courts of Amsterdam and its appellate courts and irrevocably submits to the non-exclusive jurisdiction of such courts.

The Unitholder confirms to apply for subscription to Savin Multi-Strategy Arbitrage Fund N.V. through the STAK and is acquainted with the Terms and Conditions and the Prospectus and agrees to be bound towards the Fund Manager and the STAK under this Subscription Form and to the Terms and Conditions and the Prospectus.
